

## MARTA Membership Report

Please note: Due to the fact that this has been a very atypical year for the functioning of the MARTA Branch of NBSRT, as a result of measures imposed in lieu of COVID-19, this report contains information to June 30<sup>th</sup>, rather than the traditional annual end-date in May.

At the last Annual Meeting held in May 2019, I reported a membership total of 257. From May 2019 to June 30, 2020 we have had the following changes to our membership:

There have been 9 new members added to the list.

Sadly, there have been 12 deaths from June 1, 2019 to June 30, 2020.

As well, 1 member asked to transfer membership to another Branch.

This leaves a total membership of 253 as of June 30, 2020.

During this past year, an effort has been made to update email addresses for the names in our database and the NBSRT database. Many emails were added and many corrected. A reminder to everyone that should you change your email (or your physical address), please notify Wendy or Andy of the change.

We continue to recruit members. The application form can be downloaded from the NBSRT website. Please note this is the new form updated with the address of Colleen Forsythe, the recently elected NBSRT Membership Secretary.

Respectfully submitted,  
Wendy Matthews (co-chair Membership)  
Andy Clark (co-chair membership)
