

MARTA

Guest Attendance Policy

Background:

From time to time MARTA members have requested permission for a non-member guests to attend an event. After some discussion, the Executive have developed the following policy with respect to Guest Attendance at MARTA Events.

Guest Attendance at MARTA Events:

Non-Member Guests may be permitted to attend a MARTA event, subject to the following provisions.

- 1) The event is a purely social one. NO MARTA business is to be conducted during the course of the event in question.
- 2) All expenses related to the guest's attendance at said event will be the sole responsibility of the guest.
- 3) Guests will be permitted to attend only if space is available. Member attendance will be given priority. A deadline date for confirmation of attendance will be provided for members. Once that deadline date has passed, attendance will be open to guests on a first come first served basis.
- 4) It is understood that 'guests' will NOT normally be retired teachers from the areas covered by MARTA; however, retired teachers who are not members of the NBSRT may be invited to one social event (in addition to the September 'Welcome Back Breakfast') to introduce them to the association. All retired teachers are strongly encouraged to become members of the NBSRT so they may participate fully in all MARTA activities.
