

MARTA Membership Report

Fall AGM / Dinner

29 November 2022

A. Clark: MARTA Branch Membership Chair

Since the MARTA 2022 Spring AGM, held on Tuesday, May 31st, our branch has lost 4 of its members who passed away. During this same period, our branch has gained 8 new members: 6 newly registered and another additional 2 members who transferred their respective branch designation to MARTA: 1 from Moncton (GMART) and 1 from Fredericton (Central Branch). We also lost 1 branch member, who transferred her designation to Fredericton (Central Branch). As of today, Tuesday, November 29th the current branch membership of MARTA now stands at 257.

I would also like to draw your attention to the newly revised NBSRT membership application form, which no longer requires the inclusion of one's Social Insurance Number. If anyone would like a copy of the new membership form, I do have some available, here, today, as does Rick. Please feel free to take one or more.

During October, all retired teachers, both NBSRT members and non-members, received a copy of the new version of the NBSRT membership application form, with their copy of 2002 Fall Edition of the NBTTP update from Vestcor. This was done as fulfillment of a request from NBSRT, who hopes that membership will increase in all ten provincial branches with better promotion of our provincial organization. It is one of numerous ongoing, evolving initiatives designed to entice new members and increase overall, provincial membership.
