

MARTA 2022 Fall AGM Online Media / Website Report

29 November 2022

A Clark, MARTA Online Media Chair

A helpful reminder of the categories of posts and layout of the homepage: the three main and clearly presented headings are: Announcements, Wellness and Best Wishes, and MARTA Events. Older posts not found on the homepage may be found by clicking on "Blog", which is located at the top of the home page. Across the very top margin of the homepage, outlined in orange print are the categories of: Memoriam, Documents and Resources, and several other pertinent, convenient categories. The intent of the website is to allow each you to utilize it with relative ease, on your PC, laptop, tablet or cell phone, whenever you wish be it at home, in some distant location.

One important aspect of which the website is in dire need is new photographs of members enjoying events or activities, which could include outdoor pursuits, hobbies, talents or an outing for coffee, lunch, etc. All submission would be welcome, so coming into the holiday season, for example, if anyone would like to submit a photo or a few of them, please contact me. Your contributions would be a huge enhancement to our MARTA Branch website photo library.

I also want to take a moment to thank those members from one end of our branch to the other, who assisted with my efforts last spring to find the years and dates of twenty deceased members who did not have any designations on the Memoriam page of the website. All now have their rightful place. Thank you, so very much.
