

## **“Reflections” Branch Correspondent Report**

**MARTA 2023 Spring AGM**

**31 May 2023**

Each year, there are 3 editions of “Reflections” provincial magazine:

- a). Fall edition – arrives in November
- b). Winter edition – arrives in March
- c). Spring edition – arrives in May or June

On behalf of MARTA, I submitted our Branch News and “In Memoriams” for all 3 editions. As well, we try to send a feature article for each publication. In the fall, John Bosma wrote an interesting article on the Harkins High School reunion. The spring edition should be arriving soon and has a very topical article on gardening, by Donnie O’Neill. There was no feature article for the winter edition of the magazine.

We are always looking for special articles: hobbies, trips, special events, etc. Photos may also be included with submissions. Please contact me if you would like to become a published author. It would be greatly appreciated.

Respectfully submitted:

Merle Milson, MARTA Branch Correspondent
