

MARTA Online Media Report

2024 Spring AGM

Wednesday, May 29, 2024

Throughout the year, both the MARTA Website and the Online Events Calendar have been updated with details of all upcoming events, including the pending trip to PEI, Thursday July 25th, with J & T Tours to see a performance of Jersey Boys, at The Confederation Centre of the Arts, in Charlottetown.

In the website's MARTA Events Calendar, all events, well in advance of their occurrence, are listed by date, including executive and committee meetings, social events and special outings. Any future events for which complete details have not yet been finalized are posted with the date and general time frame of each event, and a brief note stating when specific information may be anticipated.

I would also like to thank Lois for kindly having circulated during the February 7th Wellness Breakfast, to collect more birthdays of members to add to the monthly acknowledgements posted under the "Wellness and Best Wishes" category of the website. Having new names throughout the year for this great feature is a welcome addition, and given that we now have 276 members, there is plenty of room to add more.

Respectfully submitted:

A. Clark, MARTA Online Media Chair
