

MARTA AGM Archives Report
May 29, 2024

Copies of the MARTA items recommended for placement in the Provincial Archives were made as required. They will be delivered to the Archives in June.

John Bosma and I are working on the History of NBSRT for the 2025 Biennial Meeting. We are using information from the printed minutes from 1975-2009 and from that date to present from the website. Copies of the early Reflections magazines are available for review at the Harriet Irving Library Archives, and we will be booking an appointment to glean information from these items.

Respectfully submitted,

A handwritten signature in cursive script that reads "Marjorie Sinclair".
