

**MARTA Annual General Meeting
Archives Committee Report
May 28, 2025**

Once the reports for the AGM meeting are approved, they will be sent to the Provincial Archives along with reports from the Executive Meetings also held this year. Reports will be sent electronically to Julia Thompson, Manager of Private Sector Records, for downloading and storage in the MARTA Collection.

John Bosma and I completed our work of the provincial history with the publishing of the book. *The Bell Rang 50 Years Ago: A Brief History of NBSRT*. Members attending the NBSRT AGM on May 14, 2025, were delighted to receive a copy of the book. I was surprised and touched to be recognized for my research by NBSRT with a Certificate of Merit.

Respectfully submitted,

Marjorie Sinclair

Archives Committee Chair
