MARTA 2025 AGM

May 28, 2025

The letters have been sent out to all 5 area high schools to offer the now **\$500** bursary to each. This year the \$1000 local scholarship is offered to NSER; it rotates each year.

There has been a change of dates to apply for the NBSRT awards; 2 at \$2500 each. Please see the note on your tables regarding this and pass the information on to any eligible students of a university or community college.
