

*Reflections* Report

MARTA Fall General Meeting

November 4, 2025

The deadline for the fall edition of *Reflections* was September 2. I submitted three articles: 1. report on the back-to-school breakfast, 2. a short article from Dale MacRae on the upcoming 50th anniversary of the MARTA branch and 3. an article by Arlene Waugh on her first year of retirement. I also submitted obituaries for the four MARTA members who passed over the spring and summer. I am not sure when the Fall edition of *Reflections* will be published but it should be soon.

Respectfully submitted,

Bill Buggie, MARTA *Reflections* Branch Correspondent
